

JOB BANK | CAREER TOOL

Check out the new Career Tool on JobBank.gc.ca!

There is a whole world of opportunity out there, but you need the skills and knowledge to take advantage of it. When choosing what field to study or what career to pursue, make an informed decision. Visit JobBank.gc.ca and try the Career Tool.

The Career Tool is an easy-to-use, web-based search tool that provides detailed information about the benefits of working in various occupations and helps students determine the education and training they need to pursue to get quality jobs.

Explore over 100 fields of study

- ✓ Browse a list of all programs or search for a specific program
- ✓ Compare programs based on how graduates are doing professionally
- ✓ Discover top-paying programs
- ✓ See average pay and employment rates by field of study
- ✓ Learn what jobs are in demand and view the ones available on Job Bank
- ✓ Find out what type of jobs people have five years after graduation
- ✓ Get information on student financial aid
- ✓ Check where educational programs are offered in Canada
